

## Graduation Requirements

You may select from many course offerings based on your interests, abilities and learning styles. With seven classes per year, there are opportunities to explore courses that interest you and challenge you academically. It is extremely important that you know and understand the requirements for each course and the requirements to graduate from Valor. In making your course selections, Valor encourages you to discuss your higher education goals with teachers, counselors and family members.

Valor Christian High School has established the following minimum graduation requirements to allow each student the opportunity to explore their giftedness whether that potential lies in academics, athletics or the arts.
